

# PROGRAM

## Hearing of candidates for Professorship in Theoretical Evolutionary Biology

**Time:** Monday, Jan 7 and Tuesday, Jan 8 2019

**Place:** Lecture Hall 1 (HS1), UZA I, Althanstr. 14, 1090 Vienna

### Monday 7.1.2019

#### Teaching Lectures for students: *Introduction to Organismal Evolvability*

**11:30-12:00** – Erich BORNBERG-BAUER, University of Münster, Germany

**12:00-12:30** – Carolin KOSIOL, University of St Andrews, UK

**12:30-13:30** - COFFEE/SNACKS (*possibility to interact with candidates*)

**13:30-14:00** – Mihaela PAVLICEV, Cincinnati Children's Hospital Medical Center, USA

**14:00-15:00** - LUNCH (*organized buffet; possibility to interact with candidates*)

#### Scientific Presentations of candidates and discussion

**15:00-15:30** – Erich BORNBERG-BAUER: *Genomic innovations underlying phenotypic adaptation*

**15:30-16:00** – Carolin KOSIOL: *Modelling evolutionary trajectories*

**16:00-16:30** - COFFEE/SNACKS (*possibility to interact with candidates*)

**Hearing with committee** (Konferenzraum Zoologie (next to secretariat))

**16:30-17:00 – Interview Erich BORNBERG-BAUER**

**17:00-17:30 – Interview Carolin KOSIOL**

**19:00 - Dinner at “Gasthaus Wickerl”, Porzellangasse 24a, 1090 Wien**  
*(committee members & all candidates)*

## **Tuesday 8.1.2019**

**10:00-11:00 - Tour through Department of Theoretical Biology** *(all candidates; organized by Philipp Mitteröcker)*

### **Scientific Presentations of candidates and discussion**

**12:30-13:00 – Mihaela PAVLICEV: *Evolution of pleiotropy: A missing piece in the theory of evolution***

**13:00-14:00 - LUNCH** *(organized buffet; possibility to interact with candidates)*

**Hearing with committee** (Konferenzraum Zoologie (next to secretariat))

**14:30-15:00 – Interview Mihaela PAVLICEV**

**15:00-16:30 – Committee Meeting** (Konferenzraum Zoologie (next to secretariat))
